4 The existing scale is proposed to be revised, chiefly, as the S. D G states, on account of rise in the prices of food-grains & other requisites and consequent hardship caused to the temple estate -

5. The changes effected according to the revised proposals are briefly noted below:-

I Establishment.

1) The pay of the Peshkar has been proposed to be raised from Rs 45 to 50, and the reason assigned for this is that it is proposed to make him in future a sort of Asst to the Amildar, equal in status to the Taluk Shris-tadar & invest him with powers of manage^t of the vast properties belonging to the temple, subject to the control & guidance of the Amildar -

6. It may, perhaps, be noted here that the grade of the Peshkars of this, Kalasa & Seringapatam temples is that of Taluk Head Gymasta ~~of~~ ^{that} and of the Peshkars of Melkote and Nanjangud Temples, of a Taluk

Sheris fedar. ~~The~~ According to the proposal now made, the grade of the Peshkar will be raised to that of a Taluk Sheris fedar. Besides, a pension contribution of Rs 12/3/- has been provided for.

7. The Parpattegar & Gunasda are each of them given an increase of Rs 5/-, and another Gunasda Rs 4/-.

The post of Shroff on Rs 3/- is proposed to be abolished - an increase of

Nos 1 to 6 to 10 are allowed Rs 5/- each, Nos 13 & 14 Rs 4/- each, 15 to 21, Rs 3/- each. Of the rest some are allowed Rs 3, 2 & 1 each -

8. The total increase under Estab^t is Rs 2919-

9. The M. C. has not approved of the Dy: Comr's proposal to increase the number of Thatte Anna from 160 to 302 -

10. The cost under Patasala has been proposed to be increased from Rs 480/- per annum to 1296/-, the increase being Rs 814/-

11. The cost under Nehmis & Pensions has been reduced from Rs 1077-8-0

14. The increase under Sri Narayana-
swami Samudhi is from Rs 41 3/4 to Rs 389 -

15 Under Miscellaneous from Rs 2932 to 3260, the increase being Rs 328 -

16. The total increase under all heads, comes to Rs 6712 8/4 or Rs 6714 according to the figures given in the statement (scale) sent by the M.C.

17. The total expenditure provided in the ^{revised} scale is Rs 27454 against an income of Rs 33,215, leaving a reserve of Rs 5761 a year -

18. Subd for orders as to whether the scale, as revised by the M.C., may be passed -

Similarly, the provision for purchase of cloth should be supported by statements specifying the different kinds of cloths that should be purchased on the different occasions.

BANGALORE
Mer 334-27-1

To R. Sreenivasa Iyengar, Esq., B.A., P.L.,

Secretary to the Government of His Highness
The Maharaja of Mysore, Financial Department

Sir,

I have the honor to forward herewith copy of letter No. H. 621 /26 dated 31st December 1927 from the Deputy Commissioner, Mysore --- District submitting proposals for fixing a revised scale of income and expenditure in the Sri Chamarajewararwami Temple at Chamarajinagar sanctioned in Government Order No. 231.36/M.F. 505-10-2 dated 17th July 1919 and to state as follows:

2. The detailed note submitted by the Sub Division Officer and the Deputy Commissioner's letter under disposal explain the scope and extent of the present proposals in sufficient detail.

The Deputy Commissioner estimates the average income at Rs. 35,11/-/- a year. From information informally obtained from the Excise Commissioner's office the average of toddy revenue for 7 years from 1917-18 to 1924-25 works out at Rs. 5,550-0-0 per annum. As this is a very fluctuating item and as there is also a tendency for the income to go down gradually it seems safer to take the income at Rs. 5,000/- per annum.

The payment of Local cess in respect of the endowed villages is separately under consideration and pending orders of Government, the income from this item is brought on the receipt side.
Thus the total income as estimated by me comes to Rs 3215/a year.

3. The proposals made by the Deputy Commissioner with regard to

to the revision of pay of the establishment may be accepted with an additional provision of Rs. 12-3-0 a month or Rs. 150/- a year towards the pension contribution payable on behalf of the Peshkar.

The payment of Rs. 15/- p-M. to Ved: Anekul Subbaraya Sastry is proposed to be omitted. As no reasons have been assigned for its discontinuance, provision has to be made for payment of the same.

4. Under Nityakatte, the Deputy Commissioner, agreeing with the T.D.C. recommends that 53 seers of rice a day may be made available for Mivedane and Thattanna distribution, and that the Thattas may be increased from 160 to 302 per diem and distributed as shown in the statement. The cost of rice is also proposed to be raised from Rs. 20/- to Rs. 22/- a palla.

In view of the fact that the pay of all the temple servants has been substantially increased, it seems to me that no case is made out for giving more Thattannas to them. I am therefore of opinion that it may be limited to 160 as heretofore, one palla of rice being valued at Rs. 20/- ~~instead~~ of Rs. 22/- as valued by the S.D.O. and Rs. 15/- as stated in the G.C. of 17th July 1919.

The expenditure in respect of Sivakotta feeding may be limited to Rs. 100/- instead of Rs. 120/- as recommended by the Deputy Commissioner. The provision in the existing scale is Rs. 60/- a month.

5. Under Hetchkatle, the Deputy Commissioner recommends an ~~increase~~ increase of Rs. 200/-, 100/- and 150/- respectively, under Rathothsa Sivaratri and Girijakalyana, in addition to small increases under certain other items and the institution of a few items of Hetchkatle which were not provided for in the scale of 1919.

It seems to be sufficient to limit the expenditure under the former three items to Rs. 500/- 150/- and 300/- by allowing an increase of Rs. 100/-, 50/- and 50/- respectively and to make provision for the other items recommended by the local officers.

6. Under miscellaneous, the present provision of Rs. 100/- for purchase of cloths may be raised to Rs. 240/- ~~xxxxxx~~ instead of Rs. 200/- recommended by the Deputy Commissioner.

As the contingent grant has been raised from Rs. 15/- to Rs. 25/- a month, no separate provision for repairing vessels seems to be ----- necessary. This has therefore been omitted.

Against Rs. 1572/- proposed by the Deputy Commissioner as ----- contribution towards the Muzrai Establishment Fund, a sum of Rs. 1620/- as sanctioned in G.O.No. 1220-21/W.F. 341-26-6 dated 31st January 1920 has been provided for.,

7. I may state that I went into the matter carefully on the spot during my visit to Chamarajnagar, discussed the details with the ----- Dharmadarsis and have satisfied myself that the revision which has been long overdue is absolutely necessary both having regard to the ----- importance of the Institution and its resources and the present changed conditions. The proposals modified by me result in a total ----- expenditure of Rs. ²⁷⁴⁵⁴⁻⁰⁻⁰~~2754-0-0~~ against an income of Rs. 53215/- and leaves a recurring annual surplus of Rs. 5761-0-0 which may be considered as a safe margin particularly when the income from toddy revenue is taken as Rs. 5000/- against Rs. 7296/- mentioned by the Deputy Commissioner. Two statements showing the income and expenditure, as they now stand, the proposals ^{made}~~made~~ by the Deputy Commissioner and the modified ----- proposals suggested by me are herewith submitted for facility of ----- reference.

Having regard to the importance of the Institution and the necessity pointed out by the S.D.O. and the Deputy Commissioner for a general revision, I beg to recommend that the proposals as finally revised by me may kindly be sanctioned with effect from 1st January 1920.

I have the honor to be,

Sir,

Your most obedient servant,

At G. D. Sur

Scale proposals. Sri Chamarajewaraswamy temple-Chamarajanagar
revision of -

With reference to Government order No.321-33/Muz.585-18-2 dated
17th July 1919 sanctioning the revision of the scale of expenditure
of the Sri Chamarajewaraswamy temple at Chamarajanagar, I have the
honor to submit herewith proposals in respect of further revision of
the scale of expenditure of the above said temple having regard to the
present requirements and income of the temple, received from the Sub
Division Officer, Nanjangud.

As against the income of Rs.23,295/- provided in the existing
scale sanctioned during the year 1919, the present income of the --
institution is estimated to be Rs.35,500/- the increase being chiefly
due to the fact that the revision settlement which is in force from
1st July 1926 has considerably increased the total jamaaband of the
14 villages endowed to the temple, and partly due to the enhanced income
under excise revenue and also the income from investments in Government
securities which is not included in the existing scale. The details of
the present income of the institution under various sources as compared
with the actuals of previous year are shown in statement No.1 furnished
by the Sub Division Officer.

The income from Mohatarfa has been omitted from calculation on the
income side as the same has been assigned to the village panchayets.

The Railway and Education cesses collected which rightly belong
to the District funds are left out from account as they are not credited
to the funds of the temple as per G.C. No.L. 1370-87/M.L. 36-25-2 dated
20-8-1896. But the local cess which is not a recent rate levied under
the local boards and village panchayets regulation VI of 1918, and which
is the one of the temple has enjoyed for over one hundred years and more
under the terms of the original sanad, is taken into account on the
income side as Rs.1569/- as per actuals of last year. Thus the present
income of the institution viz. Rs.35,500/- (in round figures) exceeds the
previous income of Rs.23,295/- by about 12,205/-.

Expenditure

The existing scale provides for an expenditure of Rs.19,795/-
leaving a balance of Rs.3,500/- per annum towards "Reserve for repairs"
and other casual demands. The proposed scale sanctioned by the -----

me provides for an expenditure of Rs.29,572/- leaving a balance of Rs.5,938/- for reserve etc., A statement of the existing and proposed items of expenditure under the several heads is enclosed herewith for kind perusal.

Suitable increases under Establishment and Thatte Anna (cooked rice) are proposed to the staff according to the responsibility and arduousness of duty of each office having regard also to the ~~high~~ cost of living on account of the increased prices of articles.

As the local Anna chattram has also been abolished from 1st January 1927, a slight increase is provided for feeding in the Shivakoota on account of the large number of pilgrims resorting to the temple and also on account of the increase in the price of grains.

On account of the greatness and importance of the temple and to ensure a steady supply of qualified varnik Brahmins for the temple service provision is made for the entertainment of 5 teachers at a monthly ---- uniform pay of Rs.12/- each for teaching the marginally noted subjects, and

- | | |
|--------------|---|
| 1. Rigveda | the pay of Jatasnala Mahyaksha is proportionately |
| 2. Yajurveda | raised from Rs.15/- to Rs.20/-. |
| 3. Samaveda | |
| 4. Sahitya | |
| 5. Purana. | |

Under hachukatte slight increases are made for -- Rathothsavam Sivaratre, and Girijakalyana festivities to keep to the --- present prices of articles. A small provision of Rs.138 per annum is made for expenses on occasions of Rathasaptami, Subrayana Shwashti etc., The cost for purchase of cloth is also increased from 160 to Rs.350/-.

In the existing scale a sum of Rs.1572/- is provided as contribution to the Muzrai Establishment fund for meeting the Muzrai Establishment ---- charges maintained in the District Office. The Sub Division Officer, Nanjangud has reduced this provision in the proposed scale to Rs.1000/- on the ground that the District Office Muzrai Establishment cost is not a legitimate charge on the funds of the institution as the pay of the Taluk Muzrai Establishment is not met from the temple funds. Although the Sub Division officer's view is correct, yet in view of the fact that the contribution to the Muzrai Establishment fund, will amount to Rs.1775/- per annum at Rs.5/- on the gross income of Rs.35,500 pending the sanction of Government to the proposal for meeting the Muzrai Establishment charges from the General Muzrai Establishment Fund, I have retained the existing provision of Rs.1572 in the present proposed scale also as a special case.

On account of the increased demand of the endowed Inam villages,

the provision of Rs.1200/- being the pota to village officers is increased to Rs.1400/-.

A comparative statement (No.111) showing a abstract of the present and proposed income and expenditure of the temple is also enclosed with the corrected vernacular papers.

The proposed scale of income and expenditure submitted herewith is fully gone into and discussed by the Sub Division Officer ----- Wanjangud with the Amildar of Chamara Nagar, the Dharmadarsis and the temple servants. The increased proposed income are reasonable in view of the high prices of articles and the present requirements of the temple. I request that sanction of Government may kindly be obtained to the revision proposals as per statements I and II submitted herewith."

In view of this consideration, increased and additional provisions proposed under the head of 'Hetchukale' and for purchase of clothes ~~have~~^{will} to be omitted.

4. The annual repairs to be carried out to the buildings of the institution should be treated as an item of normal expenditure and necessary provision therefor included in the scale of sanctioned charges, after report to Govt.

5. Lump sums are provided for different items of Hetchukale and the purposes for which these amounts are to be spent should be clearly defined in detail.

Statements to be approved by Dharmadarsis, who should also be required to see that the expenditure actually incurred on the different occasions conforms, as far as possible to such statements.

Similarly, the provision for purchase of cloth should be supported by statements specifying the different kinds of cloths that should be purchased on the different occasions.

6. Monthly payments proposed to be made to the teachers in the Patasala other than the Adyakhsha, may be treated as their pay and not as allowances.

7. In the list of Salaries and Pensions, an allowance of Rs 15/- is proposed for one A. Subbaraya Sastri. For what account this allowance is

Revision of the Scale.

Sanctions the — of expenditure of Sri Chamarajendraswami Temple at Chamrajnagar.

READ—

Government Order No. 231-33—Muz. 585-18-2, dated 17th July 1919, sanctioning a revised scale of expenditure in the Sri Chamarajeswaraswami Temple at Chamrajnagar.

2. Letter No. 879 of 27-28, dated 9th April 1928, from the Muzrai Commissioner in Mysore, submitting proposals for a further revision of the scale of income and expenditure of the institution.

ORDER No. 434-5—MUZ 334-27-2, DATED 23RD AUGUST 1928.

The present scale provides for expenditure under all items amounting to Rs. 19,795 against an income of Rs. 23,295. According to the revision proposals now submitted, a provision of Rs. 27,454 has been made for expenditure against an income of Rs. 33,215 leaving a balance of Rs. 5,761 a year.

2. The proposals of the Muzrai Commissioner, which are well considered, are sanctioned with a few alterations and observations as follow:—

3. The question whether this institution is entitled to the revenue from local cess is still under consideration and pending its disposal, it would be well to fix the new scale of expenditure in relation to the revenue of the institution without including in it the item of local cess. In view of this consideration, increased and additional provisions proposed under the head of Hetchukatle and for purchase of clothes will be omitted.

4. The annual repairs to be carried out to the buildings of the institution should be treated as an item of normal expenditure and necessary provision therefor included in the scale of sanctioned charges after report to Government.

5. Lump-sums are provided for different items of Hetchukatle and the purposes for which these amounts are to be spent should be clearly defined in detailed statements to be approved by Dharmadarsis, who should also be required to see that the expenditure actually incurred on the different occasions conforms, as far as possible, to such statements. Similarly, the provision for purchase of cloth should be supported by statements specifying the different kinds of cloths that should be purchased on the different occasions.

6. Monthly payments proposed to be made to the teachers in the Patasala other than the Adyaksha, may be treated as their pay and not as allowances.

7. In the list of Nehmis and Pensions, an allowance of Rs. 15 is proposed for one A. Subbaraya Sastri. On what account this allowance is given to this person, and on what authority and when it is expected to cease should be reported. In the meantime, this item may be included in the scale of expenditure.

8. A copy of the new scale as revised above is appended to this order.
